Hoshiarpur, Chandigarh

EDUCATION

Bachelor of Engineering (B.E), Computer Science (2015 - 2019)

Panjab University Swami Sarvanand Giri Regional Centre

XII (Senior Secondary), Science

Year of Completion: 2015

BSEB Board (Gokhul Karpoorigram Phuleshwari College)

Percentage : 68.80%

X (Secondary)

Year of Completion: 2012

CBSE Board (DOON SENIOR SECONDARY SCHOOL)

CGPA : 8.80/10

POSITIONS OF RESPONSIBILITY

- Technical Head of the technical club of my college, Yantrix, PUSSGRC.

TRAININGS

OOPs Using C++ With Eclipse And QT On Linux

EmbLogic Embedded Technologies Pvt. Ltd. (Noida)

Jul 2016 - Jul 2016

C++, Advanced C++ STL Classes using QT.Create efficient program design and convert logic into algorithms and then to programs.The course is taught mainly using the vim editor, QT, g++ compiler, gdb debugger with Linux operating system.

Shell Scripting Using Bash

EmbLogic Embedded Technologies Pvt. Ltd. (Noida)

Jun 2016 - Jun 2016

Writing and degugging efficient and power shell scripts using Bash on Linux The course is taught mainly using the Bash Shell, with Linux operating system.

Data Structures With C Using Linux, Vim, Gcc, Gdb, SCCT

EmbLogic Embedded Technologies Pvt. Ltd. (Noida)

Jun 2016 - Jul 2016

C Programming Fundamentals, Advanced Data Structures with proper console user interface, Searching Techniques, Sorting Techniques.

Linux System Administration

EmbLogic Embedded Technologies Pvt. Ltd. (Noida)

Jun 2016 - Jun 2016

Linux based System installation, configuration, administration, maintenance, upgradation etc. The course is taught mainly using the LInux based systems using Fedora, Ubuntu and Debian.

PROJECTS

Store data in structure in C

Sep 2016 - Sep 2016

https://github.com/rahul10-pu/Data-store-in-Structure-C

store data in structure using C

MDC

Aug 2016 - Present

https://github.com/rahul10-pu/MDC

Multiple Data Compressor and Decompressor in Iterative way

Pytho

Feb 2017 - Present

https://github.com/rahul10-pu/pytho

Personal Digital Assistance

SKILLS

C Programming	C++ Programming
Advanced	Intermediate
Data Structures	Algorithms
Advanced	Intermediate
Eclipse (IDE)	Github
Intermediate	Intermediate
Python	Django
Intermediate	Beginner

Linux	Shell Scripting
Advanced	Intermediate
